

Register Your Bike with CSO's

Bike theft is the number one crime at UCSB. Registered bikes are six times more likely to be returned to their rightful owner!

Bike Registration:

1. Identifies your bicycle
2. Deters theft
3. Facilitates impound release to the proper owner
4. Required by law

To register: Bring a photo ID, your bike, and \$10 to Building 300

Hours: (Mon. - Fri.) 11am - 2pm
(805) 893 5293

Keep Your Property Safe

UCSB Police

Burglary is the unlawful entry of a structure to commit a felony or theft. In the UCSB and Isla Vista areas, burglary is predominately a crime of opportunity and remains one of the highest reported crimes.

Burglary can turn into a crime of violence when the thief is encountered. As such, burglary demands a high level of caution and attention.

Thieves are amateurs and opportunists looking for targets. They are looking for homes and businesses which present the lowest risk of detection, the greatest opportunity for easy gain, and the maximum potential for escape.

Things to Remember

- Always lock your door
- Make a pact with your roommate to follow Rule #1
- Close and lock windows whenever you leave
- Keep valuables out of sight
- Keep curtains and blinds closed at night
- Do not loan your keys to anyone
- Report suspicious activity

THE MAIN ISSUE:

90% of the burglaries and thefts in Isla Vista are the result of people leaving their doors unlocked.

Tips for stopping crime:

- Always lock your doors and make it part of your routine
- Keep the exterior of your home and yard well-lit with low-wattage outdoor lighting
- Close and lock the garage door
- When going out of town, stop all deliveries of mail and do not let mail sit in mailbox
- Turn a light on when you leave for long periods. The cost of running a lightbulb for a few nights is less than a new laptop or iPhone.
- Remove spare keys from outside your home
- Report suspicious persons or activities.
- Report a theft to law enforcement immediately. Do not wait. The sooner the Police know that a crime has occurred, the better your chances of regaining stolen property.
