

FREQUENTLY ASKED QUESTIONS

WHAT IS THE CLERY ACT?

The Clery Act is a federal consumer protection law designed to educate and inform current and prospective students and employees about the prevalence of crime on campus and campus-affiliated property. The Clery Act requires universities to collect and publish crime data from multiple sources, including Campus Security Authorities (CSAs).

WHAT IS A CAMPUS SECURITY AUTHORITY?

Since not all crimes are reported directly to police, certain individuals on campus (CSAs) are responsible for reporting crimes that are disclosed to them, so that crime statistics reporting is as accurate as possible.

WHAT HAPPENS TO THE REPORT?

CSA reports are used only for statistical purposes and for consideration of a potential campus alert. Unless a victim requests an investigation, CSA reports are not investigated by police (except in cases when a pattern of criminal behavior indicates a continuing risk to the community).

CAN THE REPORT BE ANONYMOUS?

A victim's name does not need to be included in a CSA report; however, names are helpful to prevent double counting crimes. Even when names are provided, statistics and alerts do not include any identifying information.

DO I NEED TO MAKE A REPORT TO THE TITLE IX OFFICE TOO?

All CSAs are also Responsible Employees and must report *incidents of sexual violence* to the Title IX Office, in addition to making a CSA report. For more information about reporting to Title IX, refer to their Reporting page: titleix.ucsb.edu/reporting/if-someone-reports-to-you

HOW TO MAKE A CSA REPORT

To make a CSA report, complete an **electronic report form at:**
police.ucsb.edu/csareport

Make a report as soon as possible. The Clery Coordinator and Police must make a timely assessment regarding the potential ongoing threat to campus and consider issuing a campus alert.

Include detailed information about the location, type of crime, what occurred, and date and time of incident.

Contact the Clery team if you have any questions: clery@police.ucsb.edu

For emergencies or crimes in progress, call 911 immediately

If the impacted party would like the incident or crime investigated by police, contact UCPD or other law enforcement agency.

WHEN TO MAKE A CSA REPORT

As a Campus Security Authority (CSA), you are required to make a CSA report when anyone directly reports to you an attempted or completed criminal incident that occurred in Clery geography.

DIRECT REPORTS

A direct report is an intentional disclosure made specifically to you, not an overheard conversation.

CLERY CRIMES

Reports of the following crimes are collected and published for Clery Act compliance.

- ◆ Criminal homicide
- ◆ Rape
- ◆ Robbery
- ◆ Fondling
- ◆ Aggravated assault
- ◆ Incest
- ◆ Burglary
- ◆ Statutory rape
- ◆ Motor vehicle theft
- ◆ Dating violence
- ◆ Arson
- ◆ Domestic violence
- ◆ Hate Crimes
- ◆ Stalking

CLERY GEOGRAPHY

“Clery Geography” refers to three types of campus-affiliated property:

1. **On-campus Property:** anywhere on UCSB’s campus, and buildings/property owned or leased by UCSB/UC Regents (e.g., Tropicana Apartments, Sedgwick Reserve).
2. **Non-campus Property:** houses owned or leased by registered student orgs (e.g., fraternity/sorority chapter houses), practice arenas, space contracted for educational purposes not near campus (e.g., overnight accommodations on trips).
3. **Public Property:** sidewalks and streets, public parks, beaches, etc., immediately adjacent to and accessible from campus.

RECEIVING A DISCLOSURE OF A CRIMINAL INCIDENT

If the disclosure is about an emergency or crime in progress, call 911.

If you think someone is about to disclose a criminal incident to you, gently inform them of your reporting obligations. You can say something like: “It sounds like you’re about to tell me something that I may need to report because of my role on campus.” Explain that you are obligated to share reports of crimes with the office that collects crime statistics and considers the need for a campus alert. Clarify that the report is not a formal Police report and does not need to include names. (See [FAQs](#) for more information about CSA reports.)

Do not investigate the crime. CSAs are not responsible for investigating or determining if a crime took place. Clery Act crime statistics are based on reports made, not on confirmed criminal activity.

Ask the person disclosing a criminal incident if they would like your help making a report to police and/or the Title IX Office (for cases of sexual violence, dating/domestic violence, or stalking). A report to UCPD satisfies the CSA reporting requirement. If the person does not want to file a police report, you must still submit a CSA report for statistical purposes.

CSAs are expected to be familiar with campus resources and to refer crime victims to support resources such as campus advocates (CARE) or healthcare providers (CAPS, SHS). See the [Resources/Referrals](#) panel.

Please make a CSA report as soon as possible by filling out the electronic CSA Report Form at police.ucsb.edu/csareport. See *back for additional reporting instructions*.
